# Charles Leclerc

Born in the Mediterranean idyll of Monaco, Leclerc arrived in F1 on a wave of anticipation.

He worked his way up to GP3 and Formula 2, displaying a wide range of skills, from searing pole positions, even winning when his car caught fire, to winning several consecutive championships. Leclerc knows how to handle pressure, a very useful tool in Formula 1 racing.

Outside the car, Leclerc is unassuming and thoughtful, this young talent racing for his late father Herve and his friend and mentor Jules Bianchi, the F1 driver who passed away in 2015.

Based on the evidence so far, it does them both proud.
